

# **IT'S NOT A GAME**

It's not a game when they DENY YOUR CLAIM

It's not a game when we SUFFER PHYSICAL, FINANCIAL, and EMOTIONAL PAIN

It's not a game when we can't pay our bills and are in FINANCIAL STRAIN

It's not a game when we LAY AWAKE WONDERING IN VAIN

It's not a game when we feel we have NOTHING TO GAIN

It's not a game when we are made to feel we should NOT REMAIN

## **STOP THE PAIN IT'S NOT A GAME!**

It's not a game when we are PHYSICAL & MENTALLY PROBED

It's not a game when all our MEDICAL HISTORY IS EXPOSED

It's not a game when SUBJECTED TO  
MEDICAL EXAMINATION by DOCTORS of the INSURANCE CO. CHOOSING

It's not a game when we are HARRASSED, FOLLOWED, & VIDEO TAPED

It's not a game when we are denied HUMAN DIGNITY, MORALITY, & JUSTICE

It's not a game when we feel we have NO RIGHTS

It's not a game when we feel we have NO PRIVACY

It's not a game when we feel we have NO LIFE
